(C) Presentations:

1. Tension pneumocranium
The Semiannual Meeting of Surgical Association, R.O.C. Sept. 1983
2. Unruptured intracranial aneurysms
The Annual Meeting of Surgical Association, R.O.C. March 1984
3. Spinal lipoma
The General Congress of Neurological Society, R.O.C.
April 1984.

4. Juxta-Peduncular AVM
The Semiannual Meeting of Surgical Association, R.O.C.
Sept. 1984.
5. Surgical treatment of intracranial aneurysms
The General Congress of Neurological Society, R.O.C.
April 1985
6. Primary intraventricular oligodendrogloma
The General Congress of Neurological Society, R.O.C.
April 1985
7. Surgical management of acoustic neuroma
The General Congress of Neurological Society, R.O.C.
April 1986
8. Upper lumbar disc herniations
The Annual Meeting of Surgical Association, R.O.C.
March 1988.
9. Ossification of posterior longitudinal ligament
Special Lecture, The Annual Meeting of Neurological
Surgeon, R.O.C. December 1990.
10. Spinalosteoblastoma
The Semiannual Meeting of Surgical Association R.O.C.
Sept. 1991
11. Cervical spondylosis associated with vertebrobasilar
insufficiency
8th Asian-Australasian Congress of Neurological
Surgery October 1991, Seoul Korea.
12. The comparison of different method of dorsal
sympathectomy
The annual meeting of Surgical Society, R.O.C. Feb.
1992.
13. A clinical review of 102 patients with primary
intraspinal tumor.
The Annual Meeting of Surgical Society, R.O.C. Feb.
1992.
14. Cobb syndrome -- a case report

The General Congress of Neurological Society, R.O.C.

April 1992.

15. Chylothorax following endoscopic sympathectomy -- a case report.

The Annual Meeting of Surgical Society, R. O. C. Mar.
1993

16. Trigeminal neuralgia caused by a huge contralateral supratentorial meningioma.

The Semiannual Meeting of Surgical Society, R.O.C. Sep.
1993

17. Concurrent intra- and extra-cranial meningioma.

The Annual Meeting of Surgical Society, R.O.C. Mar.
1994.

18. Surgical treatment of recurrent trigeminal neuralgia.

The General Congress of Neurol. Society, R.O.C. Apr.
1994

19. Trigeminal neuralgia caused by intracranial tumors analysis of 18 cases.

The General Congress of Neurol. Society, R.O.C. Apr. 1994.

20. Surgical treatment of upper c-spine trauma.

The 9th Asian–Australasian Congress of Neurological Surgery, Nov. 1995,
Taipei, Abstract P.71

21. Chest problems encountered during endoscopic sympathectomy for hyperhidrosis

The 9th Asian-Australasian Congress of Neurol Surgery,
Nov. 1995, Taipei, Abstract P.103

22. Brain metastasis of retroperitoneal liposarcoma

The Annual Meeting of Surgical Society, R.O.C. Mar.
2010.
