1.Publications:

1. Tai-An Chen, I-How Chen, Tsun-Sheng Huang and Swei Hsueh: Cementifyong Fibroma of the Ethmoid Sinus - Case Report. Journal of Taiwan Otolaryngological Society. 21(2): 156-160, 1986.
2. Tai-An Chen: Voice Disorders in Children with velopharyngeal valving problems.
3. Tai-An Chen, Tsun-sheng Huang: Functional Endoscopic Surgery of the Frontal Sinus Diseases. Journal of Taiwan Otolaryngological Society. 28(3): 144-151, 1993.
4. Ying-chang Li and Tai-An Chen: Endonasal Endoscopic Removal of Foreign Body in The Maxillary Sinus - Case Report, Journal of Taiwan Otolaryngological Society, 32(5):455-459, 1997.
5. Chung-Sheng Chang, Tai-An Chen: Transnasal Endoscopic Adenoidectomy with Micro-debrider, Journal of Taiwan Otolaryngological Society, 33(6):659~664,1998.
6. Chun-Chi Chen and Tai-An Chen: Traumatic Pneumo-orbitum and Subcutaneous Emphysema - Report of Two Cases. Journal of Taiwan Otolaryngological Society, 34(5):427-431, 1999.
7. Chu-Yao Chen and Tai-An Chen: Uncinate Bulla in Patients with Chronic Paranasal Sinusitis - Report of Three Cases. Journal of Taiwan Otolaryngological Society, 34(5): 399~402, 1999.
8. Shih-Wei Yang and Tai-An Chen: Surgical Marsupialization of Vallecular Cyst by Microdebrider -Report of Five Cases. Journal of Taiwan Otolaryngological Society, 37:376-382, 2002.

9. Tai-An Chen and Chin-Long Lin: The Definition of Rhinosinusitis. Journal of Taiwan Otolaryngological Society, 37(5) Suppl.:5-7, 2002.
10. Cheng-Ming Lo and Tai-An Chen: Osteopetrosis with Chronic Paranasal Sinusitis Journal of Taiwan Otolaryngological Society, 38,Suppl(1), 11-17, 2003
11. Chien-Feng Lee, and Tai-An Chen:.Power Microdebrider-Assisted Mobilization of Endoscopic Inferior Turbinoplasty: A Preliminary Report. Chang Gung Medical Journal , Vol. 27, No. 5 (P. 359~365) May2004
12. Shih-Wei Yang, Tsung-Ming Chen and Tai-An Chen:.Migrating Fish Bone Complicating a Deep Neck Abscess.Chang Gung Medical Journal , Vol. 28, No. 5 (P. 872~875) May2005
13. Shih-Wei Yang,Ming-Hsun Lee, Yun-Shien Lee,Shu-Huan Huang, Tai-An Chen Tuan-Jen Fang :Analysis of Life-Threatening Complications of Deep Neck Abscess and the Impact of Empiric Antibiotics. ORL2008:70;P:249-256
14. Shih-Wei Yang, Yun-Shien Lee, Tai-An Chen,Chang Jer Wu, Chi-Neu Tsai : Human papillomavirus in oral leukoplakia is no prognostic indicator of malignant transformation. Cancer Detection and prevention.2009:33;P 118-119
15. Shih-Wei Yang,Chang-Jer Wu,Yun-Shien Lee, Tai-An Chen Chi-Neu Tsai: Postoperative recurrence as an associated factor of malignant transformation of oral dysplastic leukoplakia. ORL 2010:72;P:208-290
16. Shih-Wei Yang, Tai-An Chen: Transoral carbon dioxide Laser sialolgia.A simple, effective, and minimally invasive method. International Journal of Oral & Maxillofacial Surgery 2011:40;P:169-172
17. Shih-Wei Yang, Chi-Neu Tsai, Yun-Shien Lee, Tai-An Chen : Treatment Outcome of Dysplastic Oral Leukoplakia with Carbon Dioxide Laser –Emphasis On

The Factors Affecting Recurrence. Journal of ORAL and Maxillofacial Surgery
2011;69;P:e78-e87

2.Domestic and International Presentations:

1. Tai-An Chen: Craniofacial Enblock Resection of an Ethmoid Chondrosarcoma - A Case Report. The 33rd Meeting of the Otolaryngological Society, ROC. Nov. 13-14, 1982.
2. Tai-An Chen: Carotid Body Tumor with A-V Malformation and its Surgical Management - a Case Report. The 35th Meeting of the Otolaryngological Society, ROC. Nov. 12-13, 1983.
3. Tai-An Chen: Voice Disorders in Children with velopharyngeal valving problems. The 39th Meeting of the Otolaryngological Society, ROC. Nov. 9-10, 1985.
4. Tai-An Chen: Submental Benign Symmetric Lipomatosis - Report of a Case. The 40th Meeting of the Otolaryngological Society, ROC. May 4, 1986
5. Tai-An Chen: Nasolabial Cyst. The 42nd Meeting of the Otolaryngological Society, ROC. May 3, 1987.
6. Tai-An Chen: Endoscopic Inferior Turbinoplasty. The 49th Meeting of the Otolaryngological Society, ROC. Nov. 17-18, 1990.
7. Tai-An Chen: Endoscopic Septoplasty. The 51st Meeting of the Otolaryngological Society, ROC. Nov. 8-10, 1991.
8. Tai-An Chen: Endonasal Endoscopic Surgery for Osteoma of Frontal Recess. The 56th Meeting of the Otolaryngological Society, ROC. May 1, 1994
9. Chu-Yao Chen And Tai-An Chen: A New Surgical Drainage Procedure for purulent Maxillary Sinusitis- Sinojet, Preliminary Trial and Cases Report. The 58th Meeting of the Otolaryngological Society, ROC. May. 1995.

10. Tai-An Chen: Function Endoscopic Sinus Surgery of Chronic Maxillary Sinusitis Via Caldwell-Luc Approach. The 59th Meeting of the Otolaryngological Society, ROC. Nov. 11-12, 1995.
11. Ying-Chang Li and Tai-An Chen: Transnasal Endoscopic Removal of Foreign Body in the Maxillary Sinus-Case Report. The 60th Meeting of the Otolaryngological Society, ROC. May 5, 1996.
12. Tai-An Chen: Revised FESS for Polyposis with Micro-debrider under Magnified TV Monitoring - A Preliminary Report. The 62nd Meeting of the Otolaryngological Society, ROC. May 4, 1997.
13. Chung-Sheng Chang and Tai-An Chen: TV monitoring Endonasal Endoscopic Adenoidectomy with Suction-irrigation Micro-debrider -A Revolutionary Preliminary Report. The 62nd Meeting of the Otolaryngological Society, ROC. May 4, 1997.
14. Chu-Yao Chen And Tai-An Chen:Traumatic Pneumo-Orbitum and Subcutaneous Emphysema--Two Cases Report. The 63rd Meeting of the Otolaryngological Society, ROC. Oct. 31-Nov. 1 1998.
15. Chung-Sheng Chang and Tai-An Chen: A New Surgical Technique, Micro-Debrider, for Inferior Antrostomy - A Complicated Case Report. The 63rd Meeting of the Otolaryngological Society, ROC. Oct. 31-Nov. 1 1998.
16. Shih-Wei Yang and Tai-An Chen: Endonasal Endoscopic Surgery of Nasal Inverted Papilloma by Microdebrider - Case Report. The 63rd Meeting of the Otolaryngological Society, ROC. May 5 1999.
17. Shih-Wei Yang and Tai-An Chen: Endonasal Endoscopic Surgery of Nasal Inverted Papilloma by Microdebrider. The Japan-Taiwan Conference in Otolaryngological Head and Neck Surgery Oct. 21-22, 1999, in Sapporo Japan.

18. Tai-An Chen: How I Do it – Endoscopic Inferior Meatal Antrostomy for Post-Operative maxillary Sinus Mucocele BY Microdebrider The Japan-Taiwan Conference in Otolaryngological Head and Neck Surgery Oct. 21-22, 1999, in Sapporo Japan.
19. Chu-Yao Chen And Tai-An Chen: Endoscopic Laryngoscopic Surgery of Vocal Polyp by Microdebrider. The Japan-Taiwan Conference in Otolaryngological Head and Neck Surgery Oct. 21-22, 1999, in Sapporo Japan.
20. Chung-Sheng Chang and Tai-An Chen: Transnasal Endoscopic Adenoidectomy with Micro-debrider The Japan-Taiwan Conference in Otolaryngological Head and Neck Surgery Oct. 21-22, 1999, in Sapporo Japan.
21. Cheng-Ming Luo and Tai-An Chen: Osteopetrosis with Chronic Paranasal Sinusitis-Case Report. The 64th Meeting of the Otolaryngological Society, ROC. Oct. 1999.
22. Tai-An Chen: Rhinosinusitis Symposium. The Revised ESS for Recurrent Rhinosinusitis. Sept 10, 2000 in Taipei, Taiwan.
23. Tai-An Chen: How I do it - Endoscopic Inferior Meatal Antrostomy for Post-operative Maxillary Sinus Mucocele by Microdebrider. September 21-25, 2000 in Washington D.C. USA.
24. Shih-Wei Yang and Tai-An Chen: Microbiology in Noninvasive Fungal Sinusitis. Nov 4-5, 2000 in Taipei, Taiwan.
25. Chung-Ming Lo and Tai-An Chen: Unilateral Endonasal Endoscopic Surgery of Ipsilateral Post-operative Ethmoid and Bilateral Sphenoid Mucoceles by Microdebrider - Case Report. May 6, 2001 in Kaohsiung, Taiwan.
26. Shih-Wei Yang and Tai-An Chen: Surgical Removal of Vallecular Cyst by Microdebrider - Preliminary Experience. May 6, 2001 in Kaohsiung, Taiwan.

27. Tai-An Chen: The Indication and Management of Revised Functional Endoscopic Sinus Surgery for Recurrent Rhinosinusitis. The Symposium of Rhinosinusitis, 2000, Taipei, ROC.
28. Cheng-Ming Luo and Tai-An Chen :Unilateral Endonasal Endoscopic Surgery of Ipsilateral Post-operative Ethmoid and Bilateral Sphenoid Mucoceles by Microdebrider---Case Report. The 70th Academic Meeting of the Otolaryngological Society, ROC. May 6, 2001.
29. Jai-Phon Li and Tai-An Chen: Intraglossal Foreign Body-- A Case Report. The 70th Academic Meeting of the Otolaryngological Society, ROC. May 6, 2001.
30. Shih -Wei Yang and Tai-An Chen: Surgical Marsupialization of Vallecular Cyst by Microdebrider - Preliminary Experience. The 70th Academic Meeting of the Otolaryngological Society, ROC. May 6, 2001.
31. Chun-Gel Huang and Tai-An Chen: Therapeutic Percutaneous Angiographic Embolization for Recurrent Life-threatening Epistaxis---Two Cases Report. The 72th Academic Meeting of the Otolaryngological Society, ROC. May 6, 2002.
32. Tai-An Chen: Powered Operation Beyond Rhinologic Surgery---A Personal Experience, 2nd Annual Medtronic Xomed ORL Study Group Australia-Asia. May 29-June, 2001, Koh Samui, Thailand.
33. Jai-Phon Li and Tai-An Chen: Nasal Non-Hodgkin's Lymphoma. The 72th Academic Meeting of the Otolaryngological Society, ROC. May 6, 2002.
34. Cheng-Ming Luo and Tai-An Chen: Marsupialization of Nasolabial Cyst by Microdebrider---A New One-Minute Surgical Instrumentation. The 72th Academic Meeting of the Otolaryngological Society, ROC. May 5, 2002.
35. Tai-An Chen: Limited Endoscopic Septoplasty. The XVIIth World Congress of The International Federation of Oto-Rhino-Laryngological Societies, Sep.

28-Oct. 3, 2002, Cairo, Egypt.

36. Jai-Phon Li and Tai-An Chen: Microdebrider-assisted Endoscopic Inferior Turbinoplasty---Preliminary Report. The 73th Academic Meeting of the Otolaryngological Society, ROC. Nov. 9-10,2002.
37. Chun-Gel Huang and Tai-An Chen: Endoscope-assisted Suture for Bilateral Septal Mucosal Laceration. The 73th Academic Meeting of the Otolaryngological Society, ROC. Nov. 9-10,2002.
38. Su-Wei Yung and Tai-An Chen: Echo-guided or Computer Tomography-guided Drainage of Deep Neck Infection with Abscess Formation---Report of Three Cases. The 73th Academic Meeting of the Otolaryngological Society, ROC. Nov. 9-10,2002.
39. Cheng-Ming Luo and Tai-An Chen : The Nasal Foreign Body: Button Battery---Case Report. The 73th Academic Meeting of the Otolaryngological Society, ROC. Nov. 9-10, 2002.
40. Tai-An Chen: Sustained Irrigation and Drainage of Odontogenic Cyst for Maxiofacial Cellulitis by Sinoject---A Case Report. The 74th Academic Meeting of the Otolaryngological Society, ROC. May 4, 2003.
41. Tai-An Chen: The Role of Accessory Os of the Maxillary Sinus and Its Recirculation in Revised Functional Endoscopic Sinus Surgery. The 7th Japan-Taiwan Conference in Otolaryngology Head and Neck Surgery. Tokyo, Japan. Oct. 29-31, 2003.
42. Tai-An Chen: The Role of Accessory Ostium and Its Recirculation Flow in Revised Functional Endoscopic sinus Surgery. The 75th Academic Meeting of the Otolaryngological Society, ROC. Tainan, Nov. 8-9, 2003.
43. Tai-An Chen: Endonasal Dacryocystorhinostomy with Mucosa Flap,4 Operations Cases Report. The 76th Academic Meeting of the

- Otolaryngological Society, ROC. Tainan, May. 2, 2004.
44. Tai-An Chen: The Probable Obliterating Effect Of Maxillary Sinus Ostium Caused By Out-fracture of Inferior Turbinate. The 77th Academic Meeting of the Otolaryngological Society, ROC. Tainan, Nov. 13-14, 2004.
 45. Tai-An Chen: Persistent Post-nasal Drip with Accesory Ostium Post FESS-Idiopathic 3 Sides of Two Cases Repot. The 78th Academic Meeting of the Otolaryngological Society, ROC. Tainan, Taiwan. May.1, 2005.
 46. Su-Wei Yung and Tai-An Chen:Deep Neck Abscess:An Analysis of Microbial Etiology and Effectiveness of Antibiotics . The 79th Academic Meeting of the Otolaryngological Society, ROC. Tainan, Taiwan. Nov. 4-6, 2005.
 47. Tai-An Chen: Sustained Ventilation Irrigation,and Drainage by Sinoject for Odontogenic Faciomaxillary Cellulitis --- Case Report.The 80th Academic Meeting of the Otolaryngological Society, ROC. Tainan, Taiwan. May. 5-7, 2006.
 48. Tai-An Chen: Power Endonasal Endoscopic Dacryocystorhinostomy with Sac Marsupialization and Mucosal Flaps Techniques.The 81th Academic Meeting of the Otolaryngological Society, ROC. Tainan, Taiwan. Nov. 4-5, 2006.
 49. Tai-An Chen:Powered Endoscopic Mucosal Volume Reduction of Inferior Turbinate for Adolescent Allergic Rhinitis--- Preliminary Report. The 82th Academic Meeting of the Otolaryngological Society, ROC. Tainan, Taiwan. May.5-6, 2007.
 50. Tai-An Chen: 經鼻 70 度鼻竇內視鏡配微形銳切器 X-extreme 彎曲轉頭切除上頰竇底良性病灶的極致器械法 Endonasal 70 Degree Endoscopic Approach of Antral Floor Benigh Lesions by Powered Instrumentation with X-extreme Curved Handpiece. The 83th Academic Meeting of the Otolaryngological Society, ROC. Tainan, Taiwan. Nov. 3-4, 2007.
