Single free anterolateral thigh flap for simultaneous reconstruction of composite hypopharyngeal and external neck skin defect after head and neck cancer ablation. *Microsurgery*. 2011 Oct;31(7):524-8. Epub 2011 Jul 16.
20. Chien-Chung Chen, **Johnson Chia-Shen Yang**, Ming-Chung Yeh, Tien-Hsing Chen, Sheng-Fa Yao, Yuan-Cheng Chiang*. Cup-sealer injuries on pediatric hands: Clinical experiences and literature review. *The Journal of Plastic Surgical Association R.O.C.* 2011 September; 20(3): 177-188
21. **Johnson Chia-Shen Yang**; Faye Huang; Chia-Jung Wu; Yi-Chun Chen; Tsu-Hsiang Lu; Ching-Hua Hsieh. Simvastatin reduces VCAM-1 expression in human umbilical vein endothelial cells exposed to lipopolysaccharide. *Inflamm Res*. 2012 May;61(5):485-91. Epub 2012 Jan 15. *(The first two authors contributed equally to this work and should be considered co-first authors)*

Scientific Paper presentations:

I. International Conferences (Oral Presentations(first Author))

1. Cup sealer injury on pediatric hands. The 6th Congress of the Asian Pacific Federation of Societies for Surgery of the Hand, January 2006, Bangkok Thailand, Oral presentation
2. Comparisons between free anterolateral thigh flap and free radial forearm flap for hypopharyngeal defect reconstruction. American Society of Reconstructive Microsurgery (ASRM), January 2007, Puerto Rico, USA, Oral presentation
3. Intimal dissection of the Hepatic artery following trans-arterial embolization for Hepatocellular Carcinoma: an intra-operative problem in adult-to-adult living donor transplantation. International liver Transplantation Society, 15th annual International Congress, July 2009, New York, USA, Oral presentation
4. The implications of coronary artery disease as co-morbidity for head and neck cancer patients receiving microsurgical reconstructions. 4th World Congress of International Federation of Head and Neck Oncologic Societies (IFHNOS), June 2010, Seoul, Korea, Oral presentation
5. Coronary Heart disease as co-morbidities for head and neck cancer patients receiving microsurgery. The second World Congress for Plastic Surgeons of Chinese Descent, October 2010, Taoyuan & Taipei, Taiwan, Oral presentation
6. Management of Burn Patients - Kaohsiung Chang Gung Memorial Hospital Experience. First Sino-European Joint Meeting of Wound Healing Symposium. April 4, 2011. Shanghai, China. Invited speaker
7. Bile leakage associated with biliary reconstruction in Living donor liver transplantation and the possible role of fibrin glue. 2011 Joint International Congress of ILTS, ELITA, & LICAGE, June 22–25, 2011, Valencia, Spain. Poster
8. Management of Burn Patients - Kaohsiung Chang Gung Memorial Hospital Experience. First Sino-European Joint Meeting of Wound Healing Symposium. 2011.04.09. Shanghai, China. Invited speaker
9. Nutritional Support For Hypopharyngeal Cancer Patient: Naso-Duodenal Tube Feeding Vs. Total Parenteral Nutrition, Which Is Better? - A Preliminary Result. 8th International Conference on Head & Neck Cancer. July 21 - 25, 2012, Metro Toronto Convention Centre in Toronto, Ontario, Canada.

II. Domestic Conferences (Oral Presentations(first Author))

1. The use of radial vessel stump in free radial forearm flap as flap monitor in head and neck reconstruction. General Scientific Meeting Surgical Association R.O.C. Taipei, Mar. 27~28, 2004.
2. The role of postoperative TPN use for buried flaps in head and neck reconstruction. 64th General Scientific Meeting Surgical Association R.O.C. Tau-Yuan, Mar. 28-30, 2005
3. Decreased morbidity associated with anterior superior iliac crest harvest for alveolar bone grafting: a modified method. General Scientific Meeting Surgical Association R.O.C. Tau-Yuan, Mar. 28-30, 2005
4. Free flap reconstruction in patients with ESRD. General Scientific Meeting Surgical Association R.O.C. Tau-Yuan, Mar. 28-30, 2005
5. Cup sealer injury on pediatric hands. Annual Meeting of Hand Surgical Association R.O.C. Taipei, June 3, 2006
6. Costal exostosis as a possible cause of breast deflation. 15th Annual Meeting of Plastic Surgical Association R.O.C. Taipei, Nov 26, 2007
7. Primary and secondary subdermal pocket procedure used in digital replantation with venous insufficiency. Annual Meeting of Hand Surgical Association R.O.C. Taipei, May 2008
8. Primary and secondary subdermal pocket procedure used in digital replantation with venous insufficiency. Annual Meeting of Hand Surgical Association R.O.C. I-Da Hospital, Kaohsiung, June 2008
9. Management of Massive Critical Electrical Burn Patient – A Case Report. General Scientific Meeting Surgical Association R.O.C. Taipei, March 2010
10. Nutritional Support For Hypopharyngeal Cancer Patient: Naso-Duodenal Tube Feeding Vs. Total Parenteral Nutrition, Which Is Better? - A Preliminary Result. General Scientific Meeting Surgical Association R.O.C. Taipei, Mar. 27~28, 2012.
