(本院員工如無 Email 帳號密碼，請由院內登入「電子表單」申請。)

The screenshot shows the login interface of the ERMG system. The header includes the logos for Chang Gung Memorial Hospital, Keelung Medical Library, and the E-Resources Gateway. The main content area is titled "使用者登入" (User Login). It features a dropdown menu for "所屬院區" (Selected: 基隆院區), a text input for "帳號" (Username: klibrary), a password input, and a CAPTCHA verification area with "驗證" (Verification: 1918). A "登入" (Login) button is at the bottom. Below the form, there are instructions: (1) Login with hospital email credentials; (2) Non-employees must apply for an email account; (3) First-time users must provide ID, department, and position; (4) Non-employees must apply for a public account. A "使用說明" (Usage Instructions) link is also present. Three callouts provide additional instructions: 1. Input hospital email and password (excluding @cgmh.org.tw); 2. Input verification code; 3. Login. A fourth callout notes that non-employees should click a link for public account login.
