INSTRUCTIONS FOR AUTHORS
(See January 2014 issue, page 139. Also available at wwwarchivesofpathology.org.)

Submissions Now Accepted for CAP ’14 Abstract Program

Abstract and case study submissions are now being accepted for the College of American Pathologists (CAP) 2014 meeting, which will be held September 7th through the 10th in Chicago, III. Submissions for the CAP ’14 Abstract Program will be accepted from:

Monday, January 13, 2014 through Friday, March 14, 2014

Accepted submissions will be published as a Web-only supplement to the September 2014 issue of the Archives of Pathology & Laboratory Medicine and will be posted on the Archives Web site. Visit the CAP ’14 Web site at www.cap.org/cap14 to access the abstract submission site and additional abstract program information as it becomes available.
