LAST WORDS

- 39 The private sector providers letting down the NHS
Margaret McCartney
- EU seminar on access to trial data
Wim Weber

BMJ Careers

EDITOR'S CHOICE

Separating the impossible from the difficult

The importance of the NHS is not being questioned. The NHS is the most successful and most efficient organisation in the world. It is a source of pride and a source of strength. It is a source of hope and a source of inspiration. It is a source of life and a source of love. It is a source of everything that makes us human.

▶ News: Overseas doctors to face tougher licensing exam
▶ Workload warnings risk 'self fulfilling prophecy'
▶ Cardiothoracic surgery
▶ Medical training in a 48 hour week Followed by jobs and courses
