

書名 Healing words:the power of apology in medicine

作者 Michael S. Woods

書碼 W62/ W896h/ 2007

登錄號 E0011065

內容摘要：

This is the book physicians and healthcare professionals need to be reading to learn what patients and families want after adverse events. Through this book Mike Woods had done a great job synthesizing the important issues surrounding apology and disclosure. Mike's friends in sorry works! applaud this book and his continued efforts to improve the culture of medicine.
