書名：Doing right -a practical guide to ethics for medical trainees and physicians

作者： Philip C. Hébert、Wayne Rosen

內容簡介： A case-based approach that provides the advice and skills medical practitioners need to help patients and overcome ethical challenges. Now in its fourth edition, Doing Right offers healthcare trainees and practitioners alike a comprehensive, user-friendly guide to contemporary biomedical ethics. Taking an applied case-based approach, this engaging text explores complex ethical issues through real-life scenarios, making it relatable to all types of healthcare professionals.
