書名：Positive ethics for mental health professionals

作者：Sharon K. Anderson

內容簡介：In the newly updated Second Edition of Positive Ethics for Mental Health Professionals: A Proactive Approach, distinguished psychologists Drs. Sharon K. Anderson and

Mitchell M Handelsman deliver an insightful guide for mental health professionals and trainees to strengthen and/or develop their professional and ethical identities. Utilizing the same informal and inviting tone of the first edition, Anderson and Handelsman share the literature and provide positive discussions, exercises, case scenarios, and writing assignments, to help you explore and develop your ethical core. You'll also develop your self-reflective skills to learn how to make excellent ethical choices regarding psychotherapy and counselling.
